

Neurologist

Job opening at Hawthorn Medical Associates

Hawthorn Medical Associates is seeking a BC/BE Neurologist. Fellowship training is preferred but not required. This is an office-based opportunity to join an established practice with referring physicians and patients awaiting your arrival. The position requires no hospital call.

Our current neurology department is made of two established neurologists and a nurse practitioner. They specialize in the diagnosis and treatment of all types of diseases or impaired functions of the brain, spinal cord, peripheral nerves, muscles, and autonomic nervous system, and sleep-related conditions.

Established in 1970, Hawthorn Medical Associates is the largest multi-specialty group practice in greater New Bedford. We have many of the area's finest physicians who practice in state-of-the-art facilities. They are supported by skilled professional and support staff and together provide high quality, comprehensive medical care to more than 138,000 patients each year.

Our main campus is located in the coastal town of Dartmouth, MA; within six miles of a state-of-the-art hospital and with access to all amenities. It is an excellent area to raise a family; less than an hour south of Boston, MA and a half an hour east of Providence, RI. We offer a competitive salary leading to potential partnership with a productivity-based compensation and a comprehensive benefit package.
